

The Station Express

THERE'S SOMETHING FOR EVERYONE...

Our talented chefs have dedicated their time to create a menu for all dietary requirements, whether you're vegan, gluten free or dairy free, we have something for everyone. *Don't delay, order today!*

We pride ourselves on being one of the most unique places to eat and drink on the Isle of Wight; set along the old railway line ("Causeway") in Yarmouth's former train station,

the restaurant overlooks the outstanding natural beauty of the Yarmouth Marshes and Mill Copse. There is no other view like ours in Yarmouth. Being located along the Causeway

makes it the perfect pit stop for walkers, cyclists and those visiting the Isle of Wight as the restaurant is just a 5 minute stroll from the Yarmouth Wightlink Ferry terminal.

COFFEE LOVERS

Here at Off The Rails, we take our coffee very seriously

*Part of the speciality coffee tradition, we combine the finest beans *Tierra Selection 100% Arabica* from *Lavazza* and the latest technology to produce a special coffee experience, each and every time you visit us. The blend is a medium/dark roast of South American, African & Indonesian beans that produce a complex bittersweet cup full of body and aroma. The flavours from this coffee are familiar to walnuts, smoke, red berries and dark cocoa allowing more delicate flavours to come through; and we make sure the milk is never burnt, so the sweetness remains in your cup.*

The microfoam needed for our milky based coffees is produced by introducing the steam so it swirls the milk in the pitcher and getting the milk hot, but not scalding (64.5°). This temperature is also important as it's when the sugars begin to be released making the milk sweeter so you shouldn't need extra sugar in your coffee as the coffee is not bitter and the milk is sweeter. Perhaps this is the reason why sometimes people assume speciality coffees are never hot enough, so if you would like your coffee at boiling point please let us know...

Thank you and enjoy!

time for a speedier service!

100% of fare will be donated to The Mountbatten Hospice

POLITE NOTICE TO PARENTS

Please note that we do NOT offer a children’s menu because these menus, more than often represent an unhealthy diet which mostly consist of deep fried food.

So we have decided to go completely “off the rails” and have adapted the continental philosophy to encourage our younger customers to try smaller dishes from our main menu, that way it will enable them to discover and taste all the different flavours that you, the parents enjoy whilst eating out.

Please do not hesitate to ask a member of staff and we will make our best effort to find something suitable to order.

Thank you for your understanding.

PLEASE NOTE: For the comfort of all passengers, we cannot alter any of our dishes.

(SEE OVERLEAF FOR EVENTS AT OFF THE RAILS)

YARMOUTH STATION

Yarmouth Station was constructed as part of the Freshwater Yarmouth Newport Railway in the early 1880's, and the first train ran from here on 20th July 1889. The railway line never connected with the Lymington ferry, and as a result all coal, livestock and passengers had to be transported down the backstreets of Yarmouth to get to the train. There was another platform on the south side of the tracks, but because of the river opposite the actual station, it was built 100 yards down the track towards Newport.

The FYN railway never really made any money (one year's accounts show a profit of £6 for the whole year!), it was taken over by the Isle of Wight Central Railway in 1923, and managed by Southern Railways. Ten years before the infamous Beeching cuts, the line closed forever on 20th September 1953. The station remained empty for many years until about 1960, when an old wooden barracks hut was bought for £1000, brought to site and attached to the east end of the old station. For the next 50 years the whole building was used as a meeting hall and became the Yarmouth Youth Club.

The building was sold by the Council in 2010, the wooden hut was demolished to make way for a larger reconstruction of the original station. The signal box was added to create a viewing area over the marshes, and the whole building given a Southern Railway theme. "Off The Rails" restaurant opened in August 2014, and the old station has been given a new lease of life welcoming walkers, cyclists, birdwatchers, tourists and locals to the area.

THREE COURSE SET MENU & SHOW

CONDITIONS FOR BOOKINGS

We very much look forward to seeing you at Off the Rails!

Please kindly note that we cannot promise a specific table at busy times. If you made and agreed a booking outside this is a weather dependent reservation, therefore we might not be able to honour your booking and transfer you inside the restaurant.

As we have limited space indoors, we kindly request that you do not arrive before your reservation time as we may not be able to accommodate even for pre drinks.

We offer a 15-minute grace period, please call us if you are running 15 minutes later than your booked time. Any decrease

in numbers should be notified prior to arrival as we may charge a no-show fee of £10 per person.

Please note, we have limited space for pushchairs.

No shows (no prior call, cancellations within 12 hours of your booking) will be subject to a penalty charge of £10 per person.

We look forward to welcoming you to Off the Rails!

The management reserves the right to alter any conditions at any time

All tips are shared equally between the team members and NOT the management

FOOD ALLERGIES & INTOLERANCES
